I'm a Mean Old Witch

A Silly Halloween Song

1

I'm a mean old witch with a hat,
And I ride on my broom with my cat.
And my shoes are pointed and my chin is too,
So you better watch out, or I might scare you!
I'm a mean old witch with a hat . . . **BOO!**

2

I'm a fast little bat in the sky,
I flap all around as I fly.
With wings stretched wide, I zoom here and there,
So you better watch out as I zip through the air!
I'm a fast little bat in the sky . . . **ZOOM!**

3

I'm a round Jack-o'-Lantern you see,
Glowing bright for all who pass me.
And I sit on the porch with a grin so wide,
So you better watch out if you pass me by!
I'm a round Jack-o'-Lantern you see . . . **BOO!**

4

I'm a spooky ghost in the air,
I float through the night without care.
I shiver and shake with a haunting sound,
So you better watch out I'll be floating around!
I'm a spooky ghost in the air . . . **BOO!**

5

I'm a sly black cat with a stare,
I creep in the night everywhere.
My tail is swishing, I sneak real low,
So you better watch out or I'll steal the show!
I'm a sly black cat with a stare . . . **MEOW!**
