

Sung to the tune of 6 Little Ducks

So Many Leaves Are Falling

So many leaves are falling on the ground,
Orange ones, yellow ones, and even brown.
But the one little leaf that rhymes with
BEAN

Is my favorite color, it's the color **GREEN!**

**GREEN, GREEN, GREEN, GREEN,
GREEN, GREEN, GREEN!**

It's my favorite color,
It's the color **GREEN!**

So many leaves are falling on the ground,
Orange ones, yellow ones, and even brown.
But the one little leaf that rhymes with
FELLOW

Is my favorite color, it's the color **YELLOW!**

**YELLOW, YELLOW, YELLOW, YELLOW,
YELLOW, YELLOW, YELLOW!**

It's my favorite color,
It's the color **YELLOW!**

So many leaves are falling on the ground,
Orange ones, yellow ones, and even brown.
But the one little leaf that rhymes with
BED

Is my favorite color, it's the color **RED!**

**RED, RED, RED, RED,
RED, RED, RED!**

It's my favorite color,
It's the color **RED!**
